[WHEELER & WILSON'S SEWING MACHINES SEWING MACHINES.

THESE Machines operate upon an entirely new principle, using no shuttle, but one needle and two threads.—
They have been in aperation in the hands of families and manufacturers sufficiently long to give them athoroughtrial, and have given entire satisfaction.

They are very simple in construction, and highly ernamental as well as useful, fitted to adorn a lady's variey. or occupy a less conspicuous position in the shop of the attissa.

It has been our object to furnish a Machine that would be applicable to family use, as well as to the wants of Tailors, Dress and Cloak Makers. Shirt and Collar Manufacturers.

&c. We are confident that our Machines in the present form are the best ever offered to the public.

Thousands of families can testify to their merits on all kinds of family sewing, while Shirt and Collar Manufacturers feely acknowledge their superiority ever all others for their work.

An examination of the Machines is respectfully solicited as thopkins & Read's.
